TOMORROW'S WORKPLACE TODAY
INTRODUCING THE bizhub i-SERIES FROM KONICA MINOLTA

Born from our desire to rethink the role of multifunctional devices in business, our next generation technology sits at the heart of your connected environment. Simply and securely bringing together people, places and devices to change the way you work.

The workplace is changing

– As more tasks move toward individual work in a place of the individual's choice, central offices are becoming hubs for communication.

– As office documents become more digitized and the volume of data increases, centralized management and better access to documents is vital.

– As business data leaks and hacking become more commonplace, the need for security is increasingly critical.

bizhub i-Series is the solution

– With simple operability and high-quality performance, bizhub i-Series allows people to complete tasks efficiently and effectively from anywhere.

– With integrated cloud services that offer the right processes at the right time, bizhub i-Series builds more convenient workflows for everyone.

– With next generation security technology built in, bizhub i-Series provides a reliably safe environment for your business.

i-SERIES IS SIMPLE AND SECURE
RETHINK IT

We've simplified, secured and enhanced what technology can do for your business.

Key benefits

– Stay in control of your information

– Protect your data and stop virus threats

– Security visibility, implementation
  and continuity

– The peace of mind to focus on
  core activities

Intelligent simplicity

With a large touchscreen operation panel, smartphone style user interface, voice control and a display that users can customise with apps from Konica Minolta Marketplace, i-Series is intelligently simple.

Next generation security

The next generation bizhub i-Series comes with the highest security standards built in. The i-Series is ready for General Data Protection Regulation (GDPR), with remote backup and offers end-point security.

With our bizhub SECURE services, we tailor the security settings to your needs, so your data is fully protected. And with integrated anti-virus software, it ensures no virus can harm your business.

i-SERIES IS INTUITIVE
RETHINK IT

Inspired by the way people interact with tech, we've completely redesigned the user experience.

Designed for people

The stylish new bizhub i-Series looks at home into today's office environment, with contemporary touches like a floating operation panel, rounded edges and LED status indicators.

With a 24° to 90° tilt angle, the large 10.1" tablet style touch panel provides convenient operation for all users, especially those in a wheelchair.

Putting users first

The new i-Series offers a market leading and intuitive smartphone style experience.

In fact, the user experience is so familiar there's practically no learning curve.Most used functions have an identical list-view and are directly visible without scrolling or searching. And as our A3 models operate in precisely the same way, users can be more productive whichever they're working with.

EMBRACE THE WORKPLACE OF THE FUTURE

bizhub is the touch point for your business and information processing world.

The A3 models are inspired by the same contemporary design and connected technology of our edge IoT platform and work in the same intelligently simple way, there's no need to waste valuable resources on training your staff.

So as your business grows, we will grow with you – seamlessly linking people and places to give a new dimension to document workflow and security management.

INDUSTRY LEADING ENVIRONMENTAL PERFORMANCE

We have invested substantial resources to keep the environmental impact of the bizhub i-Series as low as possible.

Our new eco settings, low temperature fusing toner and weight detection sensor combine to significantly reduce the consumption of energy and paper.

We're also committed to minimizing waste throughout the product's lifecycle.

While our improved consumables and parts use fewer materials and enjoy a longer life, our industry leading air-form packaging solution ensures safe transportation while reducing waste by 20%.
